PRESIDENT'S MESSAGE

Together We Can with International President Brian Sheehan

Dear Lion,

Growing up in small-town Bird Island, Minnesota, working together is something you learned early. Any time anyone needed help, everybody rolled up their sleeves and got to work. That's why I love being a Lion. Because our home is wherever we serve. And we know that "Together We Can" make our homes, our communities and our world a better place for everyone. And best of all? We get to do it every day.

All over the world, in big cities and small towns everywhere, Lions are doing great things, just like we've done for more than a hundred years. We've helped millions of people, and we're going to help millions more this year by working as a team, thinking outside the box and serving like never before. And we're going to have a lot of fun doing it.

It is an incredible honor to serve as your international president. Let's show the world how together we can accomplish big things.

Make a great day,
Brian Sheehan
International President

Special Club Awards

Lions have always been innovators. And a little thinking outside the box goes a long way toward making a bigger impact in our communities.

Here are two ways that we're recognizing innovation and the clubs that are changing the way we serve:

Kindness Matters Service Award – Get the recognition your club deserves for an outstanding project in one of our global cause areas. Have your club service chair-person submit your nomination by August 15 to qualify.

Marketing Award – Showcase your club's innovative marketing and be recognized for your creativity. Application materials are due by December 31, so get your great campaign ready to share.

Let's give each other to chance to think bigger about service, because our work will always change lives.

Writings from DG Pete

Our new Lion year is here! Welcome and congratulations to members taking up new positions in your clubs and in the district.

I look forward to meeting you at an upcoming club or district event. To do this, I intend to get to meetings and events for all of your clubs during the year.

For the above reason, I encourage club secretaries or officers to make your events known. We want to publicize your events on our various media platforms and District Calendar.

IPDG Paul Williams (WBL), and Lion Latisha Moening (Lakeville) are helping with this effort. Inform them or me, and the information will get routed as necessary.

Let us know if it's a meeting, public fundraiser, service project, and if you are looking for volunteers.

Which brings us to this month's sermon. I (*pounding my fist on the pulpit*) encourage more interaction between clubs and their members. This can be clubs teaming up for a project, or members attending and helping out others.

Clubs in our district do many different things. Much insight can be gained through interaction with each other. Seeing the different things clubs do and how they do them can inspire new ideas. Trying new things is a great way to attract and inspire new members.

Make it a point to expand your boundaries and participate with other clubs. If your club is the beneficiary of such help, let me know for future recognition. Share what you see to be working or your suggestions for improvement. Thank you. Please be seated.

The district calendar can be accessed via the district website at https://www.lions5m-6.org/ It is continually being updated as more input comes in.

Now the big announcement that a couple of you have been waiting for! Mark your calendars!

Our midwinter convention is to be the weekend of January 13-15, 2023 We have listened to our members and will bring back hospitality rooms on Friday night. Re-start your planning after the multi-year gap in this popular activity. Together, we will make it an entertaining weekend. Your input and help will help make it so.

Your zone chairs will meet in early August. On the table is consideration of an all zone meeting in the fall and/or spring to replace the smaller zone events that have been held in the past. Does anyone want to host? Share your thoughts.

Thank you for all you do. I am looking forward to hearing your stories when we have a chance to meet. Go in peace.

DG Pete Calling Bingo at the Washington County Fair.

MINNESOTA STATE FAIR

The Minnesota State Fair "Great Get Together" is just around the corner- and there are still openings for volunteers selling tickets at the Kidway and Midway. This fundraiser for our clubs and district has been wildly successful since 1996, and you are invited to join us!!

Highlights:

 Fair Dates: **Thursday, August 25- Monday (Labor Day) September 5, 2022.**

 No experience necessary. We train every person, and have handouts for reference.

 Booths are air conditioned.

 You get a free ticket into the fair on the day you volunteer. So you can enjoy the exhibits, food, people watching and have fun before or after your shift. Invite a friend or family member to join you! Young adults (16 or over) can volunteer with you.

 Shifts are short- 6.5 hours either on days or evenings, with shorter shifts on Labor Day.

 Kidway: Days 8:30-3:00pm or Afternoon from 3:00-9:30pm. (Labor day closes at 7:30 pm)

 Midway: Days 9:30-4:00 or Afternoon from 4:00-10:30pm. (Labor Day closes at 8:30pm)

 Free Parking Pass at the Employee Parking Lot on Como and 29th Ave. SE.

 Your service is compensated! The hours are compensated to your club and a small amount to the 5M6 district. An easy, fun way to raise money for your club!! Last year our 5M-6 clubs/district earned over $20,000 total!

We genuinely appreciate each and every Lion who helps with the ticket sales. We encourage all volunteers to wear Lion's apparel, along with your fabulous smile and great attitude!

Remember: "Where there is a need, there is a Lion"!

Don't wait, contact the day captain on the day(s) that you would like to volunteer!!

Lions Clubs International FOUNDATION

Greetings Lions and Leos!

Welcome to a new Lion Year. I am thrilled to have begun my year as chairperson of Lions Clubs International Foundation (LCIF) during the 104th Annual Convention in Montreal. It was my honor to be onstage when we announced that we had not only met but exceeded our campaign goals – raising more than US$324 million! I am so proud of what we were able to achieve together throughout this campaign, and look forward to what accomplishments the next year will bring.

Let's continue to build on the success of Campaign 100 as LCIF magnifies Lions and Leos impact in the areas of vision, youth, disaster relief, humanitarian efforts, diabetes, childhood cancer, hunger and the environment. As the needs of the world continue to grow, so too does the need to support LCIF. Please join me in keeping the momentum going this year as we serve by doing AND giving together.

Douglas X. Alexander
LCIF Chairperson

MINNESOTA LIONS HEARING FOUNDATION, INC.

"Believe and Be Heard"

This is our motto for this next year. Our goal is to make sure that Minnesota Lions know about our mission and vision—to help those with hearing needs through education, research and promotion.

Our plan is to continue with the projects we now have and add a couple of new ones, including researching devices for screening hearing in both young and old, similar to the KidSight outreach. We also are in the process of making affordable hearing aid applications more available. We also ask that each club become more active in their communities to locate those with hearing needs so we can serve them.

We are also excited to begin a new "signature" project—updating the temporal bone lab at the University of Minnesota. Over 25 years ago, MD5M gave the funds to build the existing lab.

It is sadly very outdated. The university has asked for our help in remodeling and modernizing the lab in a new location with the latest equipment. The foundation has agreed to help with this as they begin the project. More about this in the next newsletter.

Thanks again for all you have done in the past and for your continued support.

We want to promote your club's events! Don't see your event here?
Please submit details to williamspkha2259@gmail.com to get your event listed.

RLLI offers courses in life skills and Lion skills.

Diversity, Lions Fundamentals, Local Issues and Opportunities, Motivating Club Members, Personal Mission Statement, Public Speaking, Setting and Reaching Club Goals, Time Management and Working in Teams.

These are areas that are of value whether you are a Lion working on a project, a project chairperson, club president or officer or a future club or district leader.

We have an outstanding faculty!!!

The Red Team, Team Lead 2nd VDGE Cheryl Kelly with DG Marty Athmann and CC Matt Huggenvik.

Join the Fight Against Childhood Cancer

Here is an opportunity for Lions, friends, and family to ride in THE GREAT CYCLE CHALLENGE during the month of September on their schedule, setting their mileage and sponsorship goals, and demonstrating their Lion affiliation as part of team LIONSROAR.

The Great Cycle Challenge is a national event which raises funds for Children's Cancer Research Fund (based in Minneapolis), and individual riders aggregate their sponsorships toward a fun team leaderboard. Miles ridden can be converted to time units to report service hours for individuals or clubs.

Team leader, Lion Maredith Spector (Woodbury Lions Club, MN), is a three year legacy participant, starting initially from her former home state of Connecticut. The team hopes to recruit more riders from all over, to have riders visible within local communities, and to serve the childhood cancer initiative while promoting the efforts of local Lions.

It is free to sign up as a rider for Great Cycle Challenge: click here or cut and paste the following URL address: https://greatcyclechallenge.com Then, join team LIONSROAR: https://greatcyclechallenge.com/Teams/LIONSROAR
