Lions Continue to Volunteer and Serve During Holiday Season

District 5M-6 Lions Clubs continued to be involved with service projects since Thanksgiving.

Clubs were ringing bells for the Salvation Army, holding Breakfast with Santas, and Clothing and Food Drives.

There are also several upcoming projects. For example, the Lakeville Lions Club will host a Community Day of Service 9 a.m. to noon Jan. 28, 2023, at the Lakeville Heritage Center.

One of the projects is making no-sew fleece blankets for Sleep in Heavenly Peace (SHP). These blankets will accompany bed deliveries by SHP to area youths in need of a bed.

Volunteers will also be able to prepare microwavable meals for TheLink, which provides meals and many other essential services and items for youths who are at-risk or are currently experiencing homelessness. In addition, volunteers will have the opportunity to make Dog Snuffle mats for local dog adoption agencies or create Valentines Day cards for local senior citizens.

For additional information about service projects in the area as well as the latest information about the upcoming Mid-Winter Convention, please look inside.

PRESIDENT'S MESSAGE

**Together We Can with
International President Brian Sheehan**

Dear Lion,

The holidays are such a special time. And as we gather with family and friends to celebrate this season, let's also remember to celebrate as only Lions can—by serving others. Your kindness will make a big difference for so many families, especially at this time of the year.

Our service is a gift that never stops giving. And by working with your club on a hunger project for your community, you can ensure that all families have a special holiday meal and the support they need all year long. Or consider a gift to LCIF and see how your generosity helps Lions bring hope to the world.

Happy holidays, and thank you for your incredible kindness and service!

Make a great day,
Brian Sheehan
International President

Helping Lions Serve Their Local Communities

More than 11% of all people live with chronic [hunger](#), and half of those impacted are children under the age of five. That's why Lions are working to be the difference in hunger.

Read [Helping Lions Serve Their Local Communities](#) to learn how LCIF empowered Lions in Korea with a grant that enabled them to deliver hope and an abundance of very special gifts to children at an orphanage 2,000 miles away in Vietnam.

A Note From Council Chair Glenn

Hi Lions. It's that time of year again...**CONVENTION REGISTRATION SEASON!**

District (and the 5M) conventions afford us all the opportunity to get together to catch up with friends who we might not have seen in a while. They also give us a chance to get inspired, elect next year's district officers, and to renew our love of serving our communities.

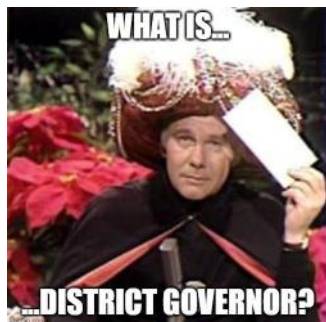

With so many things in our lives draining our energy and taking up our precious free time, many conventions strive to offer up great speakers who challenge and inspire us. Many speakers will make us laugh, tear up, and make us want to take

action, all in their 30-45 minutes in front of us.

Can you think of the most recent inspirational speaker you listened to at a convention and what you took away from them?

We also take time at our conventions to make sure our districts are in great shape for years to come. Coming to the convention as a club delegate affords us the opportunity to make sure our voices are heard as we vote on Hall of Fame submissions, Constitution & By-Laws changes, and elect our District Governor and Vice District Governors. **(TIP: Ask the candidates what their "ah-ha" moment was. You might be surprised.)**

Speaking of District Governor, have you ever thought you would do a great job, but no one ever asked you to make the leap?

District Leadership does a pretty good job at finding great future leaders throughout our districts, sometimes they need a nudge.

Contrary to popular belief, mind reading is not a trait of a great Lion. Let someone know you have interest in learning more about the role.

Lastly, conventions can offer up new and exciting service project ideas. Have you ever been to a Zone Meeting or Convention and heard a speaker passionately describe their latest service project and thought **"What the what? Why didn't we think of that?"** (Kind of how I feel when watching Shark Tank with my bride, Lion Lisa.)

All twelve districts (and MD5M) are busy planning conventions that will inspire, educate, and renew your love of Lions. I'm planning my trips out now to get to all twelve conventions and hope to see many of you there. If you have never been to your convention, make 2023 the year. If you are a veteran convention goer...bring a friend.

Have a Merry Christmas, Happy New Year, and Cheerful Convention Registration Season.

A Note from DG Gina

Greetings Lions & Leos of 5M6!

2023 has arrived. Happy New Year! I hope this new year brings with it happiness and health for you and your Family and Friends.

In this newsletter you will find the Mid-Winter Convention information once again. This information also contains the schedule of events and activities for the weekend.

The club leaders as well as the cabinet members have received the proposed **changes** to the 5M6 Constitution and Bylaws which will be presented for approval at the Annual Business Meeting on January 14th at 8:30 - 10:00AM.

Although the calendar reveals that the midpoint of the club year occurs on Dec. 31st, for us the Mid-Winter Convention becomes the symbol of that halfway point.

It is a coming together to celebrate what we have accomplished in service to our communities, it is a time to reconnect with our Lions friends as well as offering opportunities to meet new ones. The seminars provide an energy and enthusiasm boost offering new ideas and insight towards new possibilities for our clubs into the New Year and beyond, and the Service of Remembrance offers a tribute to those who we have served along with.

May this year's convention offer those things and more. I hope to see many of you at the convention in a few weeks.

All Voices – Serving in Harmony,
Lion Gina

**Lions Clubs International
FOUNDATION**

Greetings, Lions and Leos!

As we prepare to enter a new calendar year, we reflect on the successes of 2022. Lives around the world were changed because of Lions humanitarian service in our communities, empowered by LCIF.

Of course, one of the biggest highlights of the year was the successful completion of [Campaign 100: LCIF Empowering Service](#). Thank you to every Lion and Leo who embraced the philosophy of serving by doing AND giving and contributed to this historic campaign. People everywhere will benefit from your support.

In 2023, continue to share with your fellow Lions and others around the world how much more is made possible by supporting our global foundation. Through LCIF, single clubs or districts can do so much more. LCIF grants enable Lions to think big and to tackle large-scale projects that we wouldn't be able to do alone. In fact, LCIF is the only Lions foundation that empowers the service of Lions worldwide and remains committed to magnifying your service, while strengthening our humanitarian mission.

Please join me in continuing to support LCIF in 2023. Together, we can build on the success of Campaign 100 and bring hope to a world in need throughout the next year – and beyond!

LCIF Chairperson
Douglas X. Alexander

**Eyeglasses, Hearing Aids and
Children's Books Being Collected
at Mid-Winter Convention**

Please bring used glasses and hearing aids to the upcoming Mid-Winter Convention.

To expedite the processing of the hearing aids, the Minnesota Lions Hearing Foundation Trustees are making the following requests:

1. Please use the eyeglasses donation boxes for hearing aides.
2. Please separate out hearing aids from eyeglasses when you come to your conventions, so that we will be able to take care of them without having to go through all the eyeglasses.
3. Please write your district on the boxes containers that contain the hearing aids. This will ensure that when the hearing aids are recycled, your district and club will receive the proper credit for the number of hearing aids recycled.

At the Convention, there will be a separate collection location (in ABL's Hospitality Room Friday night) for new and gently used children's books. This collection is being conducted on behalf of the Learning Disabilities Association of Minnesota (LDA Minnesota).

Your donation of new or gently-used books will make a difference in the lives of children who struggle with literacy throughout the inner-city Minneapolis/St. Paul area. Each year LDA Minnesota distributes books to more than 500 low-income students whose families cannot afford these books on their own. Your donation of books will help maintain a child's reading level to ensure they do not fall further behind!

**We want to promote your club's events! Don't see your event here?
Please submit details to williamspkha2259@gmail.com to get your event listed.**

A Diva with a Goofy Side

Jeff describes his Mobility Assist Dog, Wendy, as “a diva with a goofy side.” She also likes attention, is eager to please, and wants to work.

Jeff suffers from painful back problems, making it difficult to bend down and get up again without being in pain. He started experiencing back problems in his 30s after he fell on the ice. Arthritis has weakened his grip, and the pain from his back injury makes it difficult to pick things up off the ground.

The pain has made life harder as he gets older. At age 51, even picking up small items can be a challenge. “The worst part,” Jeff says, “is just bending over and getting up again.”

Prior to Wendy, “it was tough.” In addition to the physical pain, Jeff would experience periods of depression and anxiety, making it difficult for him to get out and enjoy everyday life.

Wendy changed that.

She helps Jeff pick up dropped items, retrieves the phone for him, and tugs on doors to open and close them. She saves him from discomfort and the risk of injury. Upon hearing the “clean-up” command, Wendy even picks up her toys and puts them away.

With Wendy at his side, Jeff spends more time with his Dad and can do more things for himself. When he’s not working part-time at Hy-Vee in Waseca, Jeff takes Wendy for morning walks if his back feels okay. “She gives me something to look forward to and keeps me on track. ... She’s a service animal, but she’s my buddy as well. She helps me in a lot of ways, not just the physical.”

After researching other organizations Jeff and his Adult Rehabilitative Mental Health Services worker found Can Do Canines. He was looking for an organization that would help him transition to working with an assistance dog. Can Do Canines prepared him for what to expect and helped him bond with Wendy even before he brought her home. Working with Can Do Canines made it easier for Jeff and Wendy to understand one another and to work as a team.

Jeff would like to thank everyone at Can Do Canines, “even the people I haven’t met” for making it possible to receive an assistance animal. “Everyone is important. Without them I wouldn’t have Wendy.”

Prior to being paired with Wendy, Jeff worried about what people would think, but that didn’t last long. Jeff says Wendy melts you with her look. “It’s her eyes. They soften you.”

“After all,” he adds, “she is a yellow Lab.”
